Notice of Intent to Award Ebola Response Outbreak Funding
to the International Association of National Public Health
Institutes (IANPHI)

AGENCY: Centers for Disease Control and Prevention (CDC),
Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: This notice provides public announcement of CDC's intent to award Ebola appropriations to the International Association of National Public Health Institutes (IANPHI) for response to the Ebola outbreak funding. This award was proposed in Fiscal Year (FY) 2015 under funding opportunity announcement GH14-1419 "Advancing National Public Health Institutes Globally". IANPHI is uniquely positioned, in terms of authority, ability, track record, infrastructure, and credibility to engage its member institutes to respond to the Ebola outbreak in West Africa. Furthermore, these

activities to increase eligible governments' capacity to respond to the Ebola outbreak are directly aligned with the current activities that IANPHI is conducting under this FOA to strengthen and expand national public health institute capabilities and support global health security.

SUPPLEMENTARY INFORMATION:

The purpose of this notice is to solicit an application from IANPHI to assist in the response to the Ebola virus in West Africa. The funding will support the impacted surrounding countries to combat this health crisis. This funding will target the following countries: Cameroon, Cote d'Ivoire, Guinea, and Guinea-Bissau to support the responses of the CDC to the outbreak of Ebola virus in West Africa. This funding will enable the U.S. to provide unified mobilization to address a crisis of this magnitude. CDC will continue to build partnerships and strengthen existing projects to respond to Ebola. CDC and its partners will help to address the need for surveillance, detection, coordination, response, and increase eligible governments' capacity to respond to the Ebola outbreak.
